

Tutorial: VirtueMart 1.1 - Clone a Product

Log-in

Using the left hand
'Administration' menu: **Select Products**, then choose **List Products**

Products List

Working on the row with the product you want to CLONE, **Click** on the icon in the **Clone Product** column

You will be taken to the new product form with all the details completed for the product you cloned. You can change the name of the product and edit any of these details before saving.

If you need help with this see the 'Add a Product' Tutorial
